Subject: Stories on the human costs of the Atlantic Coast Pipeline

Protecting the South's environment
through the **POWER OF THE LAW**

SELC launches InThePath.org, stories on the human costs of the Atlantic Coast Pipeline

While challenging the unnecessary, environmentally destructive Atlantic Coast Pipeline on multiple fronts, SELC is also working with a team of filmmakers to tell the stories of the families and communities who live in the pipeline's path. Please visit [**InThePath.org**](http://InThePath.org) to learn more about the people fighting to protect their land and livelihoods

from the ACP.
